① Download and Connect the App

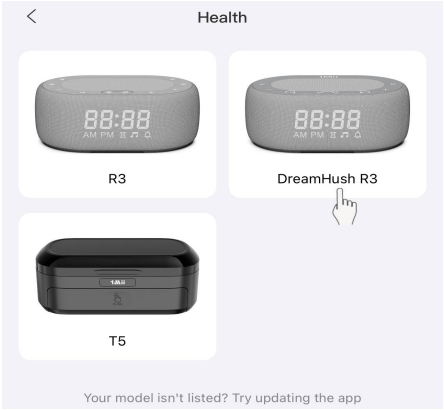

➢Download the "YeeMall" app from your phone's App Store or Google Play.

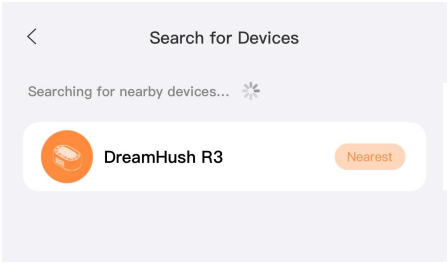

➢Open the app and tap "Add Device".

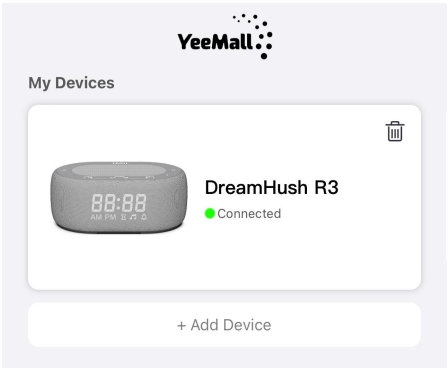

➢Select the "Health" category.

➢Select "DreamHush R3".

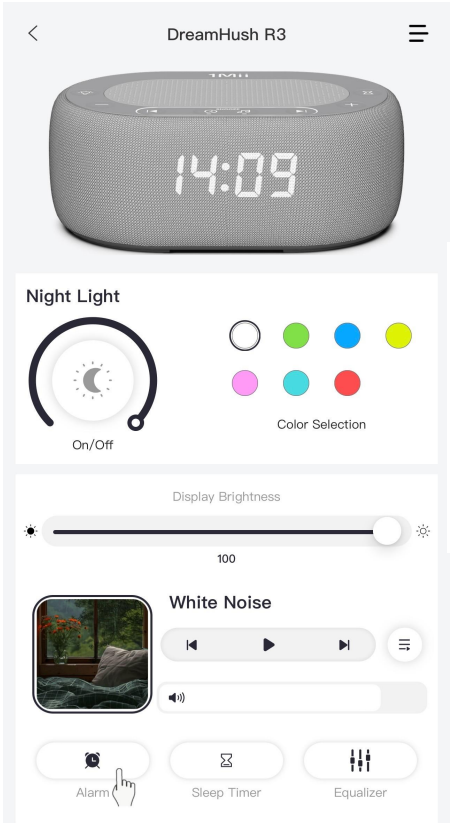

➢Then search for and connect to "DreamHush R3".

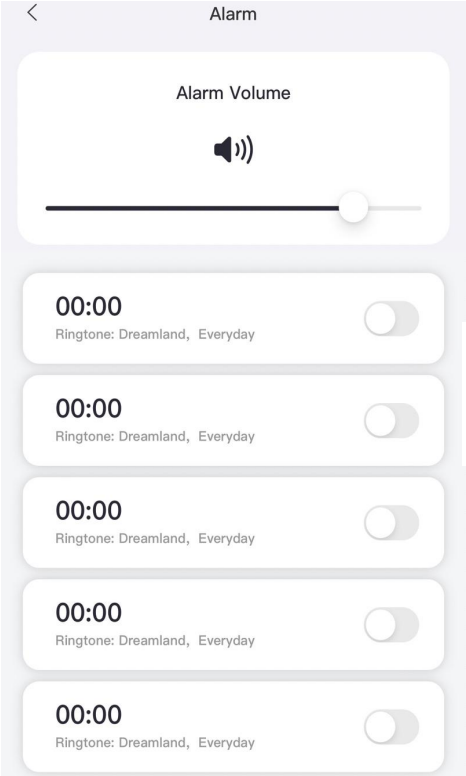

➢The connection is complete. You can now access all features through the application.

② Alarm Setting Steps

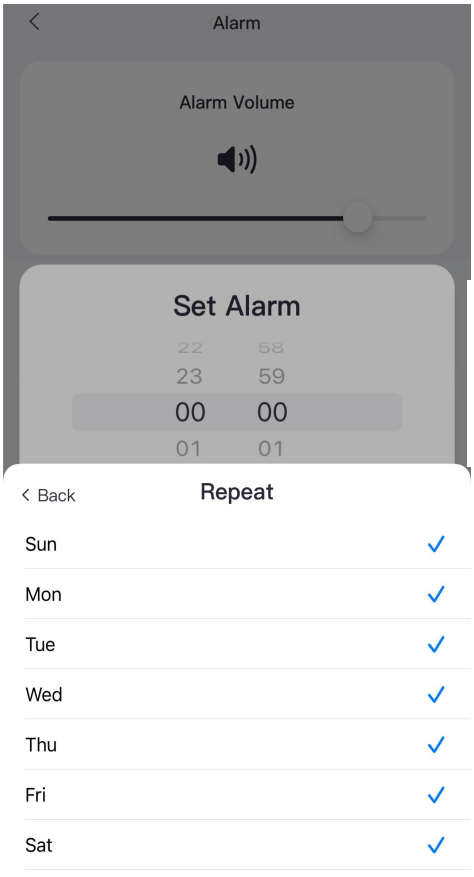

➢Click the Alarm icon in the bottom left corner of the app

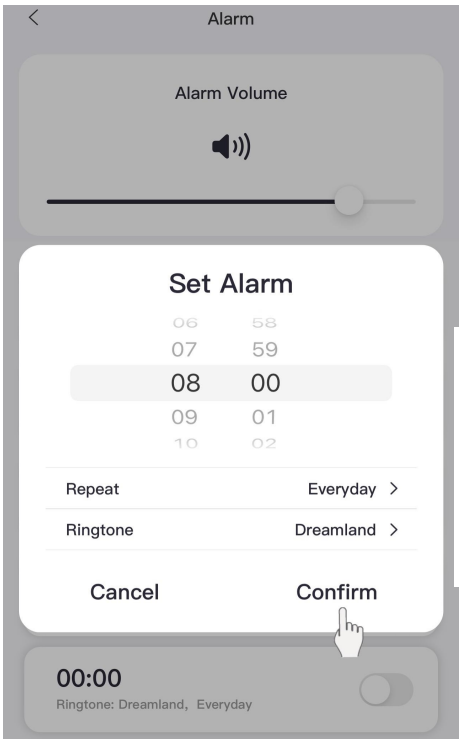

Note: After connecting to the app, the white noise machine's clock will synchronize with the phone's clock.

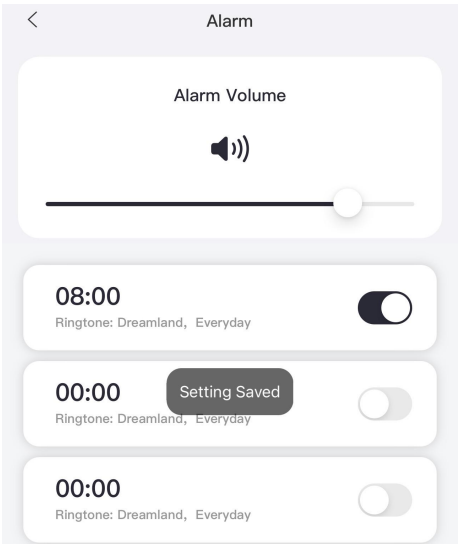

➢**Adjust the alarm volume to your desired level, then tap any alarm field to enter the settings.**

➢**Customize your alarm settings (weekdays/weekends) to suit your daily routine.**

➢**Select the time and alarm ringtone, then click "confirm" to save the settings and activate the alarm.**

➢**Settings saved**
